

KRONE HIGHLIGHT™

Adaptor Kits (with Through Adaptors)

KRONE®

KRONE HIGHLIGHT™

Adaptor Kits (with Through Adaptors)

Description

A totally functional and modular system of HIGHLIGHT adaptor kits for installation into HIGHLIGHT patch panels and wall boxes.

Supplied as a kit of two adaptor plates with a sufficient quantity of through adaptors to fully load the adaptor plates. The superior modular system is designed with angled adaptor plates to meet Class II Laser Products as per Austel Technical Standard TS008-1996.

Application

To be assembled in the following

12/24 Port Sliding Patch Panel.....	6877 1 001-00
12/24 Port Fixed Patch Panel	6877 1 003-00
12/24 Port Wall Breakout Box.....	6877 1 005-00

Features and Benefits

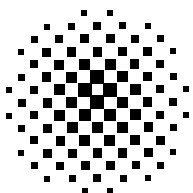

- Adaptor plates are angled for human safety and improved patch cord and internal fibre management
- Adaptor plates can be installed to have through adaptors angled to either the left or the right of the patch panel.
- Available in ST, SC, or SC Duplex with cut out dimensions to international specifications.

Part Numbers

HIGHLIGHT Adaptor Kits (with through adaptors)
